

# Collectables up for grabs

D/NEWS 10/9/11

PRICELESS collectors items – including a framed Queensland Origin jersey signed by now retired Darren Lockyer – will be auctioned off to raise money for a worthy local organisation.

With the help of generous clubs and donors, Bush Children's Warwick has received 10 items they will auction off in the coming weeks.

The money raised will go directly back to the organisation, which provides free health consultations – such as speech pathology, psychology, occupational therapy and fa-

mily health support – to rural kids.

Psychologist Rebecca Wright said the group was also selling 200 raffle tickets for a Broncos jersey signed by Darren Lockyer.

"We've got waiting lists so we're a well-utilised service," Ms Wright said.

"All money raised goes straight back to funding."

People can bid for the items by calling the Brisbane office on 3870 7288, or by leaving a voice message with contact details at the Warwick office on 4667 1200.
