HOW does a day starting with a mouth-watering Frankies on the Green breakfast, followed by a round of golf, sausage sizzle, raffles and sporting auction before finishing with the NRL grand final on the big screen sound?

This ultimate sporting event, The Bush Children's Warwick Charity Golf Day, is just around the corner on Sunday, October 2.

Organiser Rebecca Wright, a psychologist at the centre, said the Royal Bush Children's Health Scheme was established 75 years ago.

"The charity provides allied health services to Queensland children in rural areas," Miss Wright said.

"The Warwick office was opened in 2006 and provides a range of free services for children aged 0-13 including speech pathology, psychology, occupational therapy and family

'We are a non government funded charity, so events like the golf day are important fundraisers to us'

health support.

"We are a non government funded charity, so events like the golf day are important fundraisers to us."

The day kicks off with everyone meeting for breakfast at Frankies on the Green, before hitting the green for a four ball ambrose.

"Teams of four need to register their team now at the Golf Pro Shop on 4661 3664," Miss Wright said.

"Prizes will be awarded for best nett and runner-up, best gross and runner-up as well as wooden spoon for last place."

Teams are also en-

couraged to come dressed in a theme.

After a round of golf, the raffles and auction will start.

"We have been very lucky to have so many items donated," Miss

Wright said.

She said there were signed NRL jerseys up for grabs as well as a signed Cadel Evans photo.

After the auction, everyone is invited to kick back and watch the NRL grand final on the big screen.

The cost for the four ball ambrose is \$15 for members and \$25 for non-members.

Donations are welcome on the day.
